SUBJECT: Slovene Agent - Stanley Post (Joseph Stante)

Reference is made to my letter dated 24 March with regard to the above subject. In paragraph 3 of said memorandum I advised that subject would have \$1,324.32 to his credit on our books. I should have stated that his credit on our books will be \$1,374.18. The difference between these 2 figures of \$49.86 represents the balance due for the 9 months' period ending June 30, 1944. You will note in paragraph 2 of my memorandum dated 24 March that I advised that \$1,440. had been deposited with the Treasury Department covering salary for the period 1 October 1943 to 1 July 1944. The amount due for this period was \$1,469.86 (9 months at \$165.54 per month). In order for him to receive the amount due we credited his account for the difference of \$49.86.

SUBJECT: Slovene Agent - Stanley post (Joseph Stante)

1. I received your letter dated 13 March regarding the above subject and note that his present contact was terminated on 28 February 1945.

2. By this time you have received my letter of 8 March advising you that in the case of this agent as well as the other 3 Slovene agents we deposited \$1,440.00 for each of them, covering salary for the period 1 October 1943 to 1 July 1944, with the Treasury Department. We have accumulated on our books salary at the rate of 40 Egyptian pounds per month, or \$165.54 U.S. currency each month, beginning with July 1944. We will discontinue credits to Stante's account effective 28 February 1945 until further notice from you.

3. You can advise Stante that he has \$1,440.00 to his credit in the United States Treasury and \$1,324.32 to his credit on our books. To: Mr. S. B. L. Penrose, Jr.

12 May 1944

From: R. Boulton

Subject: Emanuel Weber

102140

In view of the valuable services rendered by Emanuel Weber, this organization undertook to assist him to make application for a visa for permanent residence in the United States for himself, his wife - Malka Perle Weber, his son - Marcel Weber, and his daughter - Susanne Weber. He and his family were then residing in Lourenco Marques PEA.

Accordingly, the necessary Department of State visa forms were filled out and sponsorship was obtained here. However, the matter has been held up here since December for lack of certain information concerning the applicant. Meanwhile, he and his family had to migrate from Lourenco Marques to Palestine.

Since Palestine is now a free country, it will be appreciated if you will arrange to have him contacted and obtain from him a letter addressed to the Department of State, Washington, D. C., signed and notarized by him, setting forth the following information:

1. Applicant's places of previous residences (city and country) giving approximate dates. (If applicant has at any time been interned in any foreign country, give place and dates of internment).

In his application, the applicant merely stated "Antwerp, Belgium, since 1927." This is obviously incomplete and inadequate. The applicant is known to have resided at Lourenco Marques for some length of time and probably he resided in several other places en route from Belgium to Lourenco Marques. Also, inclusive dates are lacking.

2. Applicant's occupational experience (list names and addresses of employers and positions held, with dates, commencing not later than 1930 and bringing up to the present time).

In his application the applicant has merely stated "Comptoir De Liège, SA, Place Du Maire, 115, Antwerp, 1931-34, Commercial Karras et Cie, Rue Neuf, 74, Brussels, 1934-39, Commercial." This is obviously incomplete and inadequate. His occupational experience from 1939 to the present time is not given.
